<Please consider this the final congratulatory email and ignore all previous versions>

Hi Lohitha Kallem,

You have been selected for the Amazon Future Engineer (AFE) internship! We are thrilled to extend you an offer to join Amazon as Amazon Future Engineer - **Software Development Engineer Intern**.

Congratulations! We know that managing college commitments and AFE internship assessment is a lot, and we appreciate the time and effort you dedicated to the process.

Please review your offer details below, and complete this survey by **May 1, 2023** so we can capture your offer status. We also encourage you to take a look at the mandatory document check list that you will need to submit closer to your start date.

Work Location	BLR22-CO (IN-2019 site)
Stipend per month in INR	35,000
Internship Start Date (mm/dd/yyyy)	5/29/2023
Internship End Date (mm/dd/yyyy)	7/21/2023

To prepare for your internship, please complete the below action item by **May 1, 2023.**

Review any personal information including name, current address and contact number on your Amazon Jobs portal page. This information will be used for background checks and to generate your offer documents.

In addition, your offer includes the following benefits

1. **Relocation allowance**. You are entitled to 400 USD per month as relocation allowance. These funds can also be used towards other expenses such as checking baggage, utilities, furnishings, etc. The amount is in USD and will be converted to local currency at time of payment. For more details, please refer the Intern relocation policy
2. **Meal card** of INR 1,100 per month.

Your mode of internship is **Hybrid (3 days in office per week)**.
Guidance to all interns:

- You are expected to be located in the same city/town as your Amazon internship offer location
- The decision to report at office including days to visit office rests with hiring managers, this will be conveyed to you by your Hiring Manager no later than 7 days before your date of joining
- The IT team will deliver your IT assets at your current location prior to Day 1 (**Guidance for you is to relocate after you have received IT assets to ensure smooth onboarding**)
- You should relocate to the city/town of your internship within 5 calendar days from Day 1 at Amazon

Please note that it is mandatory to submit a **No objection certificate (NOC)** attested by your campus officials to proceed with the onboarding. More details on NOC will be shared in the subsequent email.

If you have questions, please email studentconnect-apac@amazon.com, and our recruiting team will reply within three business days.

Once again, congratulations, Lohitha Kallem! We are excited for you to come build the future with us!

Thank you,
Amazon Student Programs / Amazon Future Engineer Team
